## ADVANCE PRICE LIST FOR FALL

All Plants offered in this list are NURSERY GROWN, Finished and Lining-out grades; NO COLLECTED STOCK.

### TO OUR FRIENDS:

During the many years that we have been in business you have supported us by your orders and by the "good word" you have spoken to others in the trade. We thank you for it and assure you that we will do everything possible to continue to merit the confidence you have put in us.

It will help both of us if you will get your order in early; we are growers and not jobbers, so that when an item is sold out early some of the late buyers must be disappointed. This happens every year so send YOUR ORDER early.

You may send us a reserve order while our stock still is complete and we will be glad to hold the plants until you send us shipping instructions.

The prices listed here are WHOLESALE and FOR THE TRADE ONLY. All prices are subject to stock being unsold when order is received and also to change without notice.

Our New Wholesale Catalogue for Fall will be ready in September. You should have one. We have many other varieties of plants in smaller quantities that are not listed here and on which we will gladly send information and prices.

There are always conditions over which we have no control and it is mutually agreed and understood in case of error on our part or in the event damage is caused to the stock by unforeseen conditions, such as hail, fire, drought, strikes, etc., we will not be liable for a greater amount than the original price paid for the stock.

All stock is sold F. O. B. McMinnville, Tennessee, boxing and baling and packing added at cost. Usual nursery terms and conditions to nurserymen known to us or with established credit.
